Dear Harbor Commissioners and POLA Staff,

On behalf of the Wilmington Neighborhood Council and our stakeholders, thank you for the opportunity to provide input and feedback on the proposed Avalon Promenade and Gateway Project. We're are grateful to POLA staff and the many individuals who have given time and lead thinking to envision a transformation of Wilmington's Waterfront.

Attached you will find our Board approved Resolution, adopted unanimously on April 25, 2018. The WNC Resolution provides recommendations to further transform the proposed Avalon Promenade and Gateway Project combined with Wilmington's Waterfront Promenade and Banning's Landing into a travel destination unlike any other Port community while providing an education and interactive park space that will attract visitors and stakeholders to enjoy.

We urge our Harbor Commissioners and POLA Staff to consider the recommendations in our Resolution.

Sincerely,

Sylvia Arredondo, Chairperson
Wilmington Neighborhood Council
