Re: Nickolas Ferara

Sirs:

The Wilmington Neighborhood Council would like to commend and recognize Senior Lead Officer Nick Ferara for going above and beyond his call of duty. Many stakeholders have complained to the Wilmington Neighborhood Council in hopes to see cleanup improvements happen within our little city. Since he has been assigned the Senior Lead Officer position for North Wilmington, he has made markedly improved efforts to get many of the homeless people living in RV's off the residential streets of Wilmington, in many cases getting them housed. In addition to help clean up the city, Officer Ferara has made countless community connections, has become a conduit and an advocate for our city, and become a referral source to help organizations and individuals to partner together.

While Officer Ferara leads by example and has served this community well, we the stakeholders of Wilmington would like to see Officer Ferara remain as our SLO. Not only has Officer Ferara made a difference in the community of Wilmington, he is invested in our community. We would also like to see him lead the next group of up and coming officers in coming up with solutions that work for the surrounding communities. We can stand together and say we would love to partner with more Officers like Nick Ferara.

Thank you SLO Ferrara for your commitment to the community you serve. Thank you for working in partnership with Wilmington's stakeholders. Finally, thank you for your time and consideration.

Respectfully Submitted,

Gina Martinez

Gina Martinez, Chair

On behalf of the Wilmington Neighborhood Council
